

# JEWISHCOLUMBUS | FY24 Impact

## JewishColumbus Total Impact by Organizational Priority

JewishColumbus channels funds from the Annual Campaign and Foundation Funds into meaningful initiatives that strengthen our community. Our focus spans several key areas.

JewishColumbus's Impact  
\$9,538,236\*

## Enrich Jewish Life & Instill Jewish Pride

- We enhance Jewish identity and engagement through programs that connect individuals and families. Our college and teen initiatives collaborate with organizations like OSU Hillel and BBYO. We also promote disability and inclusion services, offering training for educators and summer camp programs for special needs. Our JCC expands community programs, while we support Jewish arts and culture through various organizations, including the Jewish Film Festival. Additionally, we provide camp scholarships and leadership development opportunities.

- Our educational efforts include support for preschools, religious schools, and Kollel programs. We offer significant funding for day schools, ensuring every student receives support regardless of their payment status.

## Together, We Make a Difference

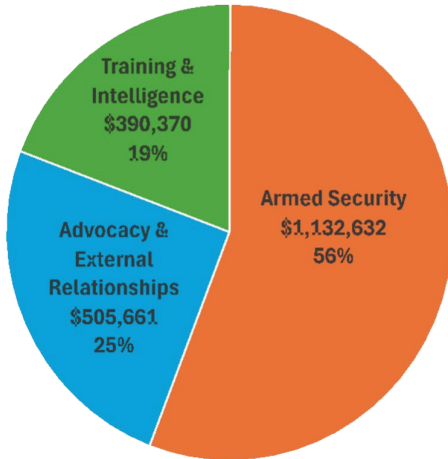

JewishColumbus is committed to enhancing Jewish life, education, and safety while supporting those in need. Your contributions are crucial to making these initiatives possible.

Thank you for your support!

## Protect Our Community

To ensure safety, we provide armed security at all synagogues and partner agencies. Our advocacy efforts focus on building relationships with local leaders and promoting education on antisemitism. We also offer training in collaboration with law enforcement to enhance community preparedness.

## Support Those in Need

We facilitate connections with world Jewry through educational programs and cultural events. Our funding for Birthright and Onward Trips helps students experience Israel, and we support various initiatives that assist at-risk youth and provide essential resources overseas.

We assist vulnerable community members through Jewish Family Services, providing support for Holocaust survivors and job counseling. Our programs also extend to the elderly and other nonprofits, ensuring everyone receives the help they need.

Our funding promotes community resilience by supporting families in rebuilding their lives. We offer economic relief through loans and investment in local businesses. Our lifeline services provide essential assistance, including food, housing, and healthcare.
